FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- 1. Defendant has been charged with violations of 18 U.S.C. § 2423(b). There is therefore a rebuttable presumption against defendant as to both dangerousness and flight risk, under 18 U.S.C. § 3142(e).
- 2. Defendant is a risk of flight based upon the fact that he has a detainer from another jurisdiction, and no ties to this District. Defendant is a danger to the community based on the nature of the alleged offense, and his prior criminal history involving child pornography. Defendant does not contest detention at this time.
- 3. There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.
- 12 It is therefore ORDERED:

22#

- 1. Defendant shall be detained pending trial, and committed to the custody of the Attorney
 General for confinement in a correction facility separate, to the extent practicable, from
 persons awaiting or serving sentences or being held in custody pending appeal;
- 16 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
 - 3. On order of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
 - 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel for the defendant, to the United States Marshal, and to the United State Probation Services
